

Summary of our services

- We are the point of contact for questions concerning the topics immigration, refugees and integration.
- Individual integration counselling for all newly arrived immigrants, regardless of origin and duration of stay in Germany.
- Support and guidance for volunteers in the field of integration as well as for anyone who is otherwise interested.
- Personalised educational guidance and aid regarding degrees or qualification acquired abroad that require approval.
- Coordination and networking for local agents in the field of education and integration on the labour market.
- We are aimed at a more open society, which is fostered by higher transparency of the integration process.

■ Integration Counselling

Integration counselling offers personalised planning of your individual integration process and provides you with guidance along the way. We offer orientation concerning routines in our society and if necessary, we will refer you to regional centres. This consulting service is free of charge to those that are registered in the district of Pfaffenhofen a. d. Ilm. And of course, the counselling is kept confidential.

■ We provide support...

- In accessing language classes, general education, jobs and the participation in social life
- in terms of dealing with bureaucratic and administrative affairs
- with general information concerning day to day life in our district

■ Contact details

08441 27-2960 | Integrationsberatung@landratsamt-paf.de

■ Coordination of Voluntary Helpers

Integration Pilots offer advice and direct support to volunteers in the field of integration and migration. Our services range from sharing know-how, accompanying the implementation process of your projects to finding simple voluntary tasks on site suitable for each individual.

■ We assist you...

- with your ongoing work as a volunteer within our district
- with organising or participating in events that are integration related
- with providing necessary training and the enhancement of your network, in case there is demand

■ Contact details

08441 27-2964 | Integrationslotsen@landratsamt-paf.de

■ Educational Consulting

Our educational consulting service offers orientation regarding the Bavarian education system and grants an overview of the educational institutions within the district. Our aim is to assist you in planning your individual course of education, ranging from kindergarten to academic education and further. We also provide advice in terms of the approval of degrees and skills acquired abroad.

■ We assist you...

- with providing a first overview of access to education including daycare, scholastic and academic education.
- with the development of a plan for your individual education.
- with consulting when it comes to the approval of foreign acquired skills and degrees.

■ Contact details

08441 27-2967 | Bildungsberatung@landratsamt-paf.de

■ Education Coordination

Our Education Coordination offers its services to all immigrants as well as local businesses. We will assist you in case of questions concerning language acquisition, job selection, vocational training, as well as further training and qualification. We will consult you, respectively your staff members starting from the outset until you achieve your desired qualifications and further integration into the labour market.

■ We assist you...

- with steadying yourself at the labour market as well as the market for apprenticeships.
- with developing your plan for further training and qualification.
- with the integration of newly arrived immigrants into everyday working life.
